Artist's Statement

Patricia is a juried artist member of the Media Arts Council Gallery Artists, and a Professional Member of the Main Line Arts Center. She has exhibited in many juried fine arts shows in the Delaware Valley and southern New Jersey.

“The camera offers an opportunity to see the world through new and creative lenses. I seek to capture the beauty and essence of any scene ... and the possibilities are everywhere. I am particularly drawn to nature, landscapes and cityscapes, realism and abstraction. My style and subjects are eclectic. The common theme is use of light, line, texture, color and mood to show the beauty and wonder in our world.
