

Inspiring and cultivating the arts in Media

The Arts Keep the Community Alive in Media!

Join us now to reach the thousands of people who shop, dine, and live in Media.

The Media Arts Council (MAC) actively supports local artists and integrates a wide range of arts into the life of the entire community. With a beautiful gallery in the growing West End Gateway of Media, MAC is the place where **your company will get noticed as a supporter of the arts**. The thriving gallery **features live music, art shows, photography exhibits, workshops, film screenings**, and more. There is always something happening in Media and our events include everyone in town.

Join us now by sponsoring for the year! There are several levels available for your marketing budget and need. Best of all – we are a 501 (c)(3) non-profit, so your contribution may be tax-deductible.

NEW IN 2019: Join us at the Bronze Level or higher and your office will serve as a MAC Satellite Gallery with original artwork created by our MAC Gallery Artists.
