## HELP SUPPORT THE MEDIA ARTS COUNCIL

The Media Arts Council is a nonprofit organization with a mission to support local art and artists and integrate a wide range of arts into the life of the entire community. MAC's new location at 11 East State Street is a venue for continuous arts and culture programming including live performance, visual art, artistic gatherings, and creative experiences.

Artists: Laurie K. Doran, Patricia Danzon, José Sevillano, and Matiko Mamaladze

You can help build a place of arts and culture that makes Media the place to go to for experiences that grow us as human beings and connect our community in bonds of joy and creativity. Ticket sales do not cover the full costs of bringing professional artists to you. Your support brings top talent artists to Media and helps bring great art to everyone in our community.

You should brag about that. And if you don't want to - let us do it for you! We prominently acknowledge our sponsors' vital support and provide you with brand exposure that is uncluttered and easily recognizable with our audience.
